

CIVIL AND CORPORATE

Quick, sound and creative solutions

Schmidt, Valois, Miranda, Ferreira & Agel has an experienced and qualified team able to provide top-level services in the civil, commercial and business litigation areas, working with creativity, initiative, agility and assurance in a variety of subjects.

Our team is able to litigate before all Brazilian courts and prepare legal opinions on any civil and commercial subjects.

The performance of the area is recognized both in the preventive and in the litigation spheres, with focus on the following segments: intellectual property, corporate disputes, environmental law, credit recovery, franchises, homologation and enforcement of foreign judgments, family and successions, disputes involving real estate issues, consumer rights – risk mitigation / Compliance and administrative and judicial litigation, among others.

The firm provides assistance to companies from various sectors, rendering relevant services to multinational companies in the technology and retailing areas and companies from the sugar and ethanol, energy and natural resources segments.

The Litigation team has lawyers who have received several awards from national and international publications such as Latin Lawyer, Chambers and Partners, Corporate International and Análise Editorial (“The Most Admired Law Firms and Lawyers in Brazil”).

The area was also awarded the Corporate International Global Awards in the Business Litigation Advisory Excellence in Brazil category and indicated as one of the most admired law firms in the Civil Litigation area and in the Electronics sector by “Anuário Análise Advocacia 500”.

João Alberto de Sá Barbosa

jbarbosa@svmfa.com.br

With more than 27 years of experience, he has worked for Shell Brazil and its subsidiaries as the lead counsel for the Northeast and Rio de Janeiro regions. Later he was general legal counsel for litigation representing the companies throughout Brazil. He was also founder and active partner of a law firm based in Rio

de Janeiro, with sound practice in corporate, commercial, tax, regulatory, environment, real estate, insurance and litigation before the main State courts and Superior courts of the country. Represents domestic and foreign companies from several sectors, mainly from the infrastructure, energy and natural resources areas. Member of the Brazilian Bar Association. He has also been an active member of the Brazilian Bar Association Human Rights Committee. Acted as an invited professor of Oil and Gas – Downstream Agreements at MPB/COPPE/EFTJ (Post-Graduation course). Post-graduation degree from Pontificia Universidade Católica (PUC) of Rio de Janeiro in corporate Law (IAG Master). Graduation degree from Universidade Santa Ursula (USU).

Language: Portuguese.

Anna Paula Góes

agoes@svmfa.com.br

Lawyer acting environment (advisory and litigation), civil and commercial litigation areas. Lawyer with more than 20 years of experience in the field of large scale civil law litigation (disputes involving civil, commercial, corporate, administrative and consumer law) and with

specialization in the environmental area. She has experience in consultancy and litigation concerning environmental matters, among which: (i) assistance in the granting of licenses and governmental authorizations; (ii) negotiation of Terms of Commitment; (iii) environmental due diligence reports; (iv) defense of client's interests in civil investigations and lawsuits; (iv) assistance in the conduct of criminal investigations and (v) enforcement of compliance/emergency programs. She represents clients of different segments (steel, hospital, pharmaceutical, banking, oil and gas, energy, among others sectors) in strategic judicial proceedings. She wrote, as a co-author, the following article: "A arbitragem como instrumento para a solução de controvérsias ambientais", published in MILARÉ, ÉDIS (Coord), JARDIM DE MORAIS, ROBERTA (Coord), SANTOS ARTIGAS, PRISCILA (Coord), COENTRO DE ALMEIDA, ANDRÉ LUÍS (Coord). *Infraestrutura no Direito do Ambiente*.
